Community Assessment

1. What have been some of the barriers in implementing restorative practices?
2. Where do the barriers come from?
3. Are the barriers able to be overcome? If so, how?
4. If the barrier is not able to be overcome, what new needs to take place to move the process?

Self-Assessment

1. What did I learn about myself from the community assessment?
2. What do I value most and would not budge on under any circumstances?
3. What do I need to do different to restore the value of the work I do?
3. What is the plan for making the above things happen?
